The Fault in Our Stars meets Eleanor and Park in this exhilarating and heart-wrenching love story about a girl who learns to live from a boy who intends to die.

Soon to be a major motion picture starring Elle Fanning!

Â

Theodore Finch is fascinated by death, and he constantly thinks of ways he might kill himself. But each time, something good, no matter how small, stops him.

Â

Violet Markey lives for the future, counting the days until graduation, when she can escape her Indiana town and her aching grief in the wake of her sister's recent death.

Â

When Finch and Violet meet on the ledge of the bell tower at school, it's unclear who saves whom. And when they pair up on a project to discover the "natural wonders" of their state, both Finch and Violet make more important discoveries: It's only with Violet that Finch can be himself—a weird, funny, live-out-loud guy who's not such a freak after all. And it's only with Finch that Violet can forget to count away the days and start living them. But as Violet's world grows, Finch's begins to shrink.

Â

This is an intense, gripping novel perfect for fans of Jay Asher, Rainbow Rowell, John Green, Gayle Forman, and Jenny Downham from a talented new voice in YA, Jennifer Niven.
